

Importing .fig files into Figma

From Figma Help

<https://help.figma.com/hc/en-us/articles/360041003114-Import-files-to-the-file-browser>

1. From the [file browser](#), open the Create new dropdown menu and select Import.
2. Click Import from computer.
3. Select the files you want to import and click Open.
Depending on the file size, the import process may take a few seconds.
4. Click Done.
